

Society for the Study of Human Biology

Call for Oral and Poster Presentations

**Proffered Papers Meeting,
Thursday September 17, 2009, 10 a.m.**

The Castle, Durham University

In celebration of the bicentenary of the birth of Charles Darwin and the 150th anniversary of the publication of '*On the Origin of Species*', presentations relating to evolution and natural selection and their relevance to Human Biology are particularly welcome.

Keynote speaker
Professor Charlotte Roberts
(author of '*Human Remains in Archaeology: a Handbook*')

**Abstracts of up to 250 words,
and clear indication of
preference for oral or poster
presentation, should be sent
by August 14th, by email to:
V.R.Tuffrey@westminster.ac.uk**

or on one sheet of paper to:

**Dr Veronica Tuffrey
(Programme Secretary, SSHB)
Centre for Public Health Nutrition
University of Westminster
115, New Cavendish Street
London W1W 6UW**
